*Organized by:*

Department of Mechanical Engineering,  
Gandhi Institute of Excellent Technocrats,  
Ghangapatna, Bhubaneswar (Odisha), India

### ABOUT THE UNIVERSITY

The Biju Patnaik University of Technology (BPUT), Orissa, with its head-quarters in Rourkela came into being in November 2002 through an act of the Government. The main objective of instituting the University was to ensure a high quality of students coming out of the technical colleges through a common curriculum and uniform evaluation. Today, the University has 137 colleges, both constituent and affiliated, with around 100,000 students. The disciplines include engineering and architecture, business management, computer studies and pharmacy. Several of these offer both undergraduate and post graduate studies.

### ABOUT THE INSTITUTE:

Gandhi Institute of Excellent Technocrats (GIET), Ghangapatana, Bhubaneswar under the flagship of Gandhi Group of Institutions (G.G.I) is an AICTE approved institute established in the year 2009. The B.Tech, MBA and MCA programs of the institute are affiliated to Biju Patnaik University of Technology, Odisha and the Diploma program is affiliated to State Council for Technical Education and Vocational Training, Govt. of Odisha, Bhubaneswar. This institution is accredited with CGPA 3.27 on 4 point scale at NAAC A+ grade and secured 9th rank in all Odisha Diploma ranking by NABET.

### ABOUT THE DEPARTMENT:

The Department of Mechanical Engineering was established in the year 2009 with intake capacity of 60 in B.Tech degree. The department maintains state-of-the-art facilities and well-equipped laboratories including Solid Mechanics lab, Fluid Mechanics lab, Heat Transfer lab, Internal Combustion Engine lab, Machine Dynamics lab, and Workshop. The department focuses on enhancing student's academic and technical skills

through advanced technologies, practical learning, and research. With highly qualified faculties and strong industry and research collaborations, it aims to bridge theoretical knowledge with real-world application.

### ABOUT THE CONFERENCE:

The First edition of the International Conference is being organized by the Department of Mechanical Engineering at Gandhi Institute of Excellent Technocrats, Ghangapatna, Bhubaneswar, India through the Hybrid mode. The aim of ICRMTDR-2026 is to bring together innovative scholar and industry experts working in the fields of Mechanical Engineering and Technology in a joint forum. ICRMTDR 2024 will provide a platform to exchange knowledge and disseminate the results of the latest study on the future research and development in the field of Mechanical Engineering and Technology.

### SCOPE OF THE CONFERENCE

The scope of the International Conference covers a wide cluster of different topics, including the exploration of technologies and innovative ideas that promote sustainability. The conference will also provide practical applications of sustainable practices. Participants will be benefited by knowledge exchanging, networking opportunities, and collaborative efforts aimed at driving sustainable development.

### GUIDELINES FOR WRITING THE RESEARCH PAPER
