VISION

To be recognized as one of the best alumni association in inviting alumni for academic excellence, student career and best employment.

MISSION

To organize alumni at Alma mater and different cities to share their experience & expertise.

To Invite alumni and arrange interactive session with the student for employability and higher studies.

To motivate alumni to help in grey areas of academic.

GOAL

One of the main purposes of alumni associations is to support a network of former graduates who will, in turn, help to raise the profile of the GIET and aim to bring together like-minded individuals.

OBJECTIVES

The purpose of any Alumni Association is to maintain a lifelong relationship with alumni through opportunities by informing, engaging and inspiring alumni to stay connected to their alma mater, and support the vision of the college and contribute towards its success.

Following are the main purposes that are expected out of alumni associations:

- To promote and foster mutually beneficial interaction between the Alumni and the present students of the university and between the Alumni themselves.
- To identify and promote alumni success and achievements to advance the credibility and reputation of the University.
- To encourage the Alumni to take an active and abiding interest in the work and progress of the Institute so as to contribute towards enhancement of the social utility of their Alma Mater.
- To organize and establish scholarship funds to help the needy and deserving students gain a professional degree.

- To introduce prizes and awards for outstanding project work, research papers or other professional activities conducted by the students of the College
- To rightfully distinguish exceptional communal plus community service by the Alumni and the students.
- To create awareness of the role of technology that can add in value addition in the economic and social development of the nation.
- To invest and deal with the funds and moneys of the Association.
- To make the best of developing technologies like the internet in achieving the aims and objectives of the Association
- To maintain an alumni liaison program that encourage alumni to identify themselves with the Institution to generate and sustain interest and participation in the College.
- To make the alumni contribute to the development of the Institution and the promotion of its good name and reputation, locally and internationally by inspiring them.
- Make a direct communication link available between the Institution and its alumni.
- Provide all the alumni with opportunities that are communal and educational.
- Promoting a "positive attitude" towards Alumni.

The above mentioned objectives must be met by alumni associations to promote the good will of the Institution and to maintain strengthening connections with the alumni. As the alumni association is the one who is termed as the foundation of institution and has the ability to push towards future dream or career goal in order to maintain the high standard of education.
